Bittern Primary School
Enabling success in a changing world

29th June, 2017

Dear Parents,

We are about to do our annual sports tops order. Orders for these tops will open on the first day back of term three, **17th July**. Orders will close two weeks later on **Friday 31st July**.

These tops are predominantly to be worn on PE days and for interschool sporting events. The tops are a cool design, using a modern mesh fabric with children's first names personalised on the back. We are encouraging all children to purchase a sport uniform so that we present as a unified team at inter-school sports events and PE sessions.

If you missed out on ordering these in the past or have a younger student (these are predominantly for Grades 3 – 6, but we are more than happy for younger children to wear them), please place your ***order by Friday 31st of July.*** Approximate delivery is 4 weeks from date of school order, so we expect to have them midway through the term.

There will be sizes in the office from ***the advertised order commencement date*** if you would like to try one on.

Names printed on the back of tops will be first names as they appear on your child's birth certificate (nicknames will not be used). If you require an alteration to names, for example, on the birth certificate is 'Lachlan' however he is known as 'Lachie' you will need to indicate the change on the form below. They cannot be changed once the order is submitted and refunds will not be given.

The price of the top is ***$36.00 (incl GST) and must be pre-paid.***

So **HURRY, HURRY, HURRY**. Return the order slip below to ensure your child does not miss out.
