Lyn’s lines

DO YOU KNOW THIS BOY?

In the last newsletter I publically congratulated a group of students for their efforts in the district athletics final and as Murphy’s Law would have it I have missed a special VIP, Taj Tait. Taj was a sensational ambassador representing our school in the discus event. Well done Taj!

Bike Education has started for the senior students which gives them lessons on looking after and maintaining their bikes, road rules and safety precautions when riding on the road. This is a fabulous program that is both valuable and enjoyable culminating in a trip to Point Leo on Friday December 13th with an on road adventure.

The middle school is currently studying healthy food choices and as a celebration of the theme they are going on an excursion to La Porchetta in Rosebud to make their own healthy pizza.

The junior school are currently welcoming our new Preps for next year and are pretty excited about being the ‘big kids’ next year!

PLANNING FOR 2014 is well under way and we have many exciting things to look forward to. Already in the planning is a whole school excursion to the museum which will be fantastic!

AMBULANCE

Please be aware that DEECD does not cover ambulance assistance from school to a hospital. As a duty of care the school will ring an ambulance if deemed necessary.

I had great pleasure watching our boys’ rugby team play off in the state finals at Elwood Park yesterday. I am so proud of the way the students represent our school in public forums, their behaviour and manners are often commented on by staff from other schools. My knowledge of the rules of rugby has taken a steep learning curve and I have learned several coaching tips from the ever competitive Mr E!!! Thanks to Brenda Lanigan and Amy Petersen for supporting our team by transporting some of the team to the venue.

‘HOLD THE LINE’ & ‘TACKLE THEM LOW’

I think I’m ready to take up a coaching position!!!!

A REMINDER

BEFORE AND AFTER SCHOOL CARE IS ON ITS WAY COMMENCING DAY 1 IN 2014.

We are having an information night on December 3rd at 6.30 to explain the enrolment process, the program and payment details. Even if you only plan to use this service on one day a week it would still be valuable to attend so you can have any queries answered and have the knowledge of how the service operates.
THE MOVIES ARE COMING TO BITTERN PRIMARY SCHOOL!!!!

Apparently our school is the perfect location for a few scenes of a movie called ‘GO FISH’ starring Shane Jacobson alias ‘Kenny’. How exciting having a film crew at our school!!! The producer intends to film on Sunday Dec 1st, Monday Dec 2nd and Tuesday December 3rd.

It will be a great experience for the students and we are hoping that the crew members will talk to the students about their work. The producer of the show is keen to use some students as extras; it doesn’t have to be the same students for each day. If you are interested read the blurb below and contact Cara on the e-mail provided.
