

FUNDRAISING NEWSLETTER

Welcome to another year of Bittern Primary School Fundraising.

This Term we will be putting a school cook book together and will be asking everyone to submit at least one recipe for our book. It would be great if you are able to talk to your children about their favourite meal, dessert, cake or food in general as we would like the children to be a big part of this project.

Together with our wonderful Art Teacher Mrs Laity we will have the children produce a picture of the recipe they submit.

Please write your recipe on the page provided and send it back to school with your child, or send your recipe directly by email to vrynaard@bigpond.com .

Hopefully these books will be available for purchase around Mothers' Day (great prezzie for Grandma)

EASTER RAFFLE

Our other fundraiser for this Term will of course be our annual Easter Raffle and we are asking for donations to fill our prize baskets. If you are able to help can you please take your donations into the office where they will be collected by our team and made up into beautiful Easter Baskets.
